

Blessing-Rieman College of Nursing & Health Sciences and Quincy University
DEGREE PLAN: BASIC TRACK STUDENTS
For Students Entering Fall, 2019

If a course or requirement is waived, e.g. a transfer course for fewer hours than stated on the degree plan is accepted for credit for a required course, the difference in credit hours must be taken as nursing or non-nursing electives, so the total hours required remain 124. Students must take ENG 111 and ENG 112, plus 2 other Writing Enriched (W:) courses, one that must be in their major. This requirement is met with NSG 404 and NSG 407. *Part Time students and students returning following withdrawal are held to any changes in the curriculum.*

A. University Courses

Global Course (G:) met with TRS 116
Diversity Course (D:) met with NSG 409
